Managers' Report

September 5th, 2026

Douglas O'Rourke

Rehoboth Bay Sailing Association

- All club boats are in working use and operational.
  -Drew was able to repair all three Flying Scot crank boxes.
  -Sunfish Rudder systems have been repaired/replaced.
  -Hobie Waves have new stay connections and mast is re-raised.
  -420 has been repaired and remaining two will be sold.
- Two of our three powerboats are operational. Dave S. is currently repairing the steering on "TINY"
- Flag pole has fallen down by the water and we are looking into other options of what we can do.
- Sailing School has ended and with a great last week.
- Rentals still seem to be going very well. Boats are constantly being used or rotated for uses.
- All boats in the "Sunfish Park" and "Flying Scot Row" need to be moved to the north roadway entrance, grass lot. Tie downs will be purchases and boats will be tied down during Precision Marines Construction. (Rob Whiteford needs the parade grounds by the marina.)
- South Hoist is being repaired. Dave S. knows the status.
- Members seem willing to help in all ways possible. Let's utilize their assistance!
  -Weeding all around our property.
  -Cleaning up of the grounds and or building.
  -Helping with the Maintenance/Repair Committees.
  -Helping with communication.
  -Sail repair.
  -Showing up on work days which are 10/4/2026 and 10/17/2026 at 9AM.
